CRIMINAL NO. 04-10156 WGY

DEFENDANT'S PROPOSED VOIR DIRE QUESTION

Defendant proposes the following voir dire question:

In this case, the government alleges that defendant violated a federal law which restricts exportation of certain items to foreign countries without a license. The specific allegation is that the items were to be shipped to China. Is there anything about the allegation that this case involves China or items which might be exported to China which raises a concern whether you could judge this case fairly?
